

Welcome to Frimley FUSION

Hello – we are Frimley C of E Junior schools after school club, Frimley fusion. We run Frimley fusion by suggesting activities each week, with no obligation for any child to take part in – don't worry if an activity of the week isn't their idea of fun, we will always find something to keep them entertained!

When you return in September, you'll notice that Frimley fusion looks a bit different, for one our location has changed – we have moved from the Discovery zone to the Hall to gives us a bit more space to spread out between year groups & also a great view of the outside play area. Our snacks have also changed - we have some lovely pre-packaged Brioche, Chocolate filled pancakes & Mini cheddars for our snack. You'll see us cleaning surfaces and supplies more regularly & asking you to wash your hands more too!

Unfortunately, we won't be able to offer some of our activities, such as Slime or computers but our focus of fun activities hasn't changed. We've still got lots of great activities to offer as well as some new activities!

The weeks will run like this; Each year group will have a different 'activity of the week' to try for one week before they move on to the next activity the following week. The calendar below explains this in more detail.

There will also be colouring, card & board games, outside play as well as buildable toys available. Each year group will have their own time to play outside should they want to.

We hope to see you soon!

~ Frimley Fusion Team
