Hello!

SO, we have had a busy few weeks as a committee getting ourselves sorted with admin tasks and the upcoming Autumn disco. Hope you are happy with the results!

## Communication!

The school officially communicates through their website; <http://frimley.surrey.sch.uk/>, their Twitter account; @frimleyjunior and the fortnightly newsletter.

The FPTA is here to support the school and parents. We do our best to make sure that all the key info from the school's official communication is on our Facebook page; Frimley Church of England Junior School PTA. The easiest way to join this, if you've not already, is to get one of your 'friends' (who is already on it!) to invite you. Please email us (details above) if there are any issues.

## Class reps

Thank you for volunteering - we nearly have a full quota of class reps! They will be having a meeting together with Mrs Wright once each half term to address any issues you may have.

## We're online!

We are very pleased to announce that we now have a FPTA website! No more paper slips and loose change!!

You will be able to purchase tickets for events through this. Many of you from Cross Farm and Sandringham will recognize the format.

Please go to;

<https://www.pta-events.co.uk/frimleypta/>

and register – it's really quick and easy! You will then be able to purchase tickets for the Autumn disco.

You will shortly be receiving an email from school with a password to add yourself to the class mailing list on the website. This just makes it easier for us to register the children in and out at events.

When buying tickets, please remember to put your child's name (not your own) and your mobile number (as it is the emergency contact).

## Raise money as you shop!

Easyfundraising is an entirely free service that allows you to shop directly at your favourite online store and raise a donation of up to 15% for our school, once a purchase is made. There are thousands of stores that are participating e.g. Amazon, Tesco, Asda and Argos. It really takes no time at all and can raise lots of money for the school! Just follow the link and create an account, which takes 2 minutes. You can download the app on your phone or download a donation reminder for your taskbar;

Thank you for all your support!
