

Frimley Church of England Junior School

11th September 2017

Dear Parents,

We need your help.....

Would you like to help us raise money to support our children and their experiences here at Frimley?

We have always been fortunate here at Frimley to have a supportive set of parents who have actively organised lots of great fundraising events to support our school. We are now at that stage where we'd like to ask you for your help with this as we would love more parents to be involved in helping us to raise even more money!

I would like to invite you to a fundraising meeting on Thursday 21st September at 9.00 to map out some ideas to kick-start our fundraising campaign for this new school year and we would love as many people as possible to come to this. If you are unable to come but have some good ideas, or if you feel you may be in a position to offer some help with organising and supporting some events, please include this information on the slip below. By offering to help, please do not feel you are committed to do so on a regular basis; we are just looking for parents/families/friends to potentially help organise just one or two events – many hands make light work!! However you feel able to support us, we would be extremely grateful.

At this meeting we will also be sharing the accounts and details of money raised by the FPTA last year and to explain how this has benefited our pupils.

Please complete and return the slip below. Many thanks for your support with this.
