

# Frimley Church of England Junior School

February 2020

Dear Candidate,

Thank you for taking an interest in the post of classroom teacher at Frimley Church of England Junior School. Prospective parents regularly comment (when they come for tours of the school) about the caring and welcoming atmosphere that permeates throughout the school. This is something we pride ourselves on and is at the heart of who we are. I am sure that the right candidate will also feel this on visiting us here at Frimley. The school's ethos is one of care and support where every decision has to impact positively upon the children and the staff. We are looking for a teacher who is an excellent classroom practitioner and will work to drive progress for all children regardless of their starting point; someone who is passionate about improving life chances for children, leads by example and can work from their own initiative.

Frimley is a remarkable place to start or continue your career in education. We challenge and support our staff the way we do our learners. Our staff are our greatest resource and have the highest expectations for the children and themselves. If appointed, you will be joining a positive and enthusiastic team who really do put children first. As a school, we are committed to innovative ways of managing your work/life balance. Our parents are supportive and we have a well informed and committed governing body. The successful candidate will join a school with polite, motivated and happy pupils, many of whom enter the junior phase with above average levels of achievement. There is excellent provision here at Frimley, which includes an indoor swimming pool, Science garden and pond, in our extensive grounds. We also have specialist Performing Arts, Computing and Swimming teaching across the Key Stage, as part of our enrichment programme.

Obviously there is much I could say here to promote the school. If you are interested in joining our terrific team I would urge you to visit and see for yourself what, I feel, is a truly excellent school and to appreciate how this is a wonderful opportunity for someone looking to develop their teaching experience.

To arrange an informal visit please contact Mrs Caroline Hammond (School Business Manager) on 01252 835440. We look forward to meeting you.

Yours faithfully

Clare Wright  
Headteacher
