

Year 4 Autumn 2020 Homework

<u>Reading</u>	<u>TT Rockstars</u>	<u>SPaG</u>
Read for at least 10-15 minutes, three times per week to an adult and have a discussion about the book.	Complete the set Times Tables challenges here: https://play.ttrockstars.com/	Complete the weekly SPaG task set here: https://www.spag.com/
<u>My Maths</u> Mymaths.co.uk is a fantastic website which Frimley has subscribed to. Your child has a username and password in their homework diary. My Maths is an optional homework resource for Year 4 children; there is no expectation for them to complete tasks, however tasks will be set if your child chooses they want to do more or they would like to practice further to embed the learning.		

Our theme this half term is 'inner strength/resilience'. Choose a few of the ideas below to demonstrate your understanding of what inner strength and/or resilience means to you. For example you could research someone, past or present, who has shown resilience within their life or follow and cook a recipe that you haven't tried before and looks tricky. Try and be as creative as possible.

Topic homework sharing day will be: **Thursday 22nd October 2020**

Topic Homework

You could complete one, or more, of the following options or create something else to show what you have learnt about your topic.

Bring it to your *share my topic homework day* (ask your teacher for details)

create a piece of art work

write a story/poem/newspaper article etc

make a model

make a game

make a poster

Read a book linked to your topic and review it

plan and do an experiment linked to your topic

go on a visit

follow a recipe

create an informative leaflet

make a fact file

design a costume

make a video

write some word problems for maths
