Frimley Learner Passport

As introduced last year, children can work towards becoming an Ultimate Frimley Learner.

With the teacher, they sign off when they feel they have achieved a particular task. When they have had 6 activities signed off (in an attribute) by their teacher/LSA/member of staff, they take the passport home to complete an activity (to demonstrate the learner attribute). This is then signed off by a parent/carer.

At this stage, children present their booklet to Mrs Wright to be awarded their attribute certificate. When all attributes have been completed, the child earns the Ultimate Frimley Learner badge.
