

A Midsummer Night's Dream

Frimley Learners

Learning together and independently – We will get to know the story of A Midsummer Night's Dream inside out.

Enthusiastic – We will explore the scientific superpowers that magnets have.

Ambitious – We will study the great works of the Baird.

Resilient – We will endeavour to understand Shakespearean English and compare to its modern equivalent.

Naturally Curious – We will endeavour to find out how we can apply our mathematical knowledge to problem solving.

Enterprising – We will experiment with magnets to work out how to give our Fairies and Imps scientific superpowers.

Risk taking – We will create our own fairy potions, risking life and limb to see if they work.

Self-aware – We will begin to independently edit and improve our work.
