

# Home Sweet Home

## Frimley Learners

**Learning together and independently** – We will be making comparisons about life in 19<sup>th</sup> Century Iowa and Frimley.

**Enthusiastic** – We will be composing letters in the role of a local historical figure.

**Ambitious** – We will be learning about what life was like in the circus and using persuasive language to encourage people to come to our own circus performance.

**Resilient** – We will be designing, making and flying our own 19<sup>th</sup> Century kites.

**Naturally Curious** – We will be learning all about the life of Samuel Cody and the impact he had on aviation.

**Enterprising** – We will investigate the different forces affecting flight and design our own experiments to test these.

**Risk taking** – We will be risking life and limb out there on the plains as a cowboy/ cowgirl.

**Self-aware** – We will be considering the economic and environmental impact aviation has on our planet.
