

Rockin' and Rollin'

Frimley Learners

Learning together and independently – We will get to know the story of 'Stone Age Boy'

Enthusiastic – We will have great fun discovering whether or not we could have succeeded as early Cave-Painters.

Ambitious – We will research great engineering feats from the Stone Age.

Resilient – We will endeavour to understand the hardships felt by early man.

Naturally Curious – We will strive to find out how we can apply our mathematical knowledge to problem solving.

Enterprising – We will experiment with the tools and implements used by early man.

Risk taking – We will recreate the nomadic lifestyle of early man.

Self-aware – We will carry on independently editing and improving our work.
