Dear Parent/Carer,

Parent/Carer Readers in Year 5

I am writing to ask if any parents/carers or family members have a morning or afternoon free each week, and would be happy to give up their time to hear some of our children read.

Reading is such an important skill for children and we are keen to do all we can to further support the development of this and their comprehension skills, so that they become more confident and proficient readers. Parent/Carer readers usually volunteer for a morning or afternoon every week. This work has a fantastic impact on the children's confidence within reading and really makes a difference to their attainment across the curriculum.

If you would like to make a difference and would be happy to help, please fill in the reply slip below and we will be in touch.

Thank you for your co-operation,

Mrs Reehal  
Year 5 Leader and Class Teacher
