

Frimley Church of England Junior School

6th February 2018

Dear Parent/Carer,

After half term, we will continue exploring what life is like on board the International Space Station. In order for the children to get a feel for life as an astronaut, we will be tasting some examples of the food they may eat on board the Space Station. We are planning on tasting Freeze Dried Strawberries and Neapolitan Ice-cream.

Please could you let us know if your child has any food allergies, or otherwise, that may impact upon this lesson by completing the slip at the bottom of this letter and returning it to your class teacher by Tuesday 20th February 2018. We will keep the slips on file for when we teach the lesson.

If you do not return the form by this date, we will assume that your child is **unable** to participate.

If you would like to see a breakdown of the ingredients, please see your class teacher.

Yours sincerely,

Mrs A. Reehal
Year 5 Class Leader

Astronaut Food Tasting – Allergies: Food or otherwise that may impact on lesson

Child's name _____ Class _____

My child has no allergies please ✓
