

Frimley Church of England Junior School

13th December 2018

Dear Parents and Carers,

In response to our recent OFSTED visit, where it was identified that *'Pupils' handwriting is sometimes untidy and they do not all present their work to a high standard.'*, we have decided that the New Year is the perfect time for a fresh start with presentation across the school.

As a result, each child will receive the festive gift of new Learning and Maths books, as well as the opportunity to earn a new handwriting pen. Following vast amounts of research into all the currently available handwriting pens, we have decided to invest in the **Swäsh Komfigrip in blue ink**, as the children found these most comfortable and effective to use. We would politely request that all children work towards using only this pen type at school.

A pen will be awarded to each child once their handwriting and presentation is deemed neat enough; in line with the National Curriculum's requirements. Replacement pens will be available from the school at a cost of 50p per pen, should you wish to source your own Swäsh Komfigrip, please do feel free to do so.

Thank you for your continued support in furthering your child's successes and have a very Merry Christmas!

Mrs Peters

English Lead.
