

# Perseverance Day – Endeavour

On Friday 15th February, the whole school took part in our second enrichment day of the school year. Perseverance, our value for this half term, was the theme for the day and Endeavour split into 3 mixed-year groups and participated in 3 different activities during the day. As is always the case in Team Endeavour, there was some excellent work on show and all the children showed excellent perseverance in all their sessions.

In Miss Price's session we looked at the story of Daniel and the Lions Den and how he had to persevere. We then learnt about Nelson Mandela, who was the first democratically elected President of South Africa. He was imprisoned for 27 years for standing up for what he believed in. We then worked together to create a collage of him.

In Mrs Doe's session, we looked at the Bible story, The Lost Sheep and we discussed the importance of perseverance. We then did a variety of activities based on her favourite TV shows, The Crystal Maze and The Cube. We had loads of fun and took home a 'perseverance crystal' to remind us to keep going.

In Mr Phillips' session, we created a rap to the theme tune of 'The Fresh Prince of Bel Air'. We changed the lyrics so that they were 'perseverance' themed. We then ended the day with a rap battle against Argo House. We all worked really hard on our lyrics and Charlie, Grace, Zachary and Haris stood up and performed it.

Now this is a story all about how  
A house called Endeavour took Argo down  
I'd like to take a minute, stop your messing around  
We'll turn those smiles that you're wearing into a frown

In West Surrey England born and raised  
Frimley Juniors is where I spend most of my days  
Facing lots of challenges inside school  
We'll keep on trying; we'll stand up tall  
And a couple of times, I weren't doing so good  
I kept persevering cos I knew I could  
No matter what you look like or where you're from  
Keep on going, you know you're strong

Don't ever fear failure... it isn't a crime  
If you're willing to persevere, you'll get there over time  
We'll smash it out the ground like a 6 in cricket  
Then sit back with our feet up  
And watch the teacher 'tick it'

We're always first class, yo, don't be sad  
We keep persevering through good and bad  
We are Endeavour, we'll never give up  
Want to replicate us, well...good luck
