

# Perseverance Day—15th February 2019

## Endurance House

Mr Callow showed us how to do stop motion animation on the iPad. This is a very slow process and requires lots of perseverance as you have to take lots of individual images to create the animation. When we finished filming, we edited our work and then watched them together. Some of us are keen to practice stop motion animation over the half term holi-

Mrs Roberts showed us a video of a man who was born without limbs. He was very inspirational and made us think about perseverance. We tried a trick where you point your finger on one hand and thumb up on your other hand then swap— its not as easy as it looks. We then

In Mrs Peters' class we did mindfulness colouring. Mrs Peters told us the story of Daniel in the Lion's Den and we thought about how he persevered in the story. We coloured in pictures of Lions and some pictures turned out to be very colourful. We also enjoyed the music and tried to guess what
