

Frimley Church of England Junior School

7th March 2019

Dear Parents,

Back in November last year, all the children had the opportunity to plant a daffodil bulb in a pot that could be purchased around Mother's Day as a gift for a loved one.

Mother's Day is late this year, 31st March, and combined with the unseasonably sunny weather of late has brought the bulbs into flower early.

So we will be holding our daffodil sale this Friday 8th March at the end of school.

The pots are £1.00 each and all the monies raised will go toward our school gardening project.

If you wish your child to purchase a daffodil please send them in with £1.00 on Friday morning to give to their class teacher in exchange for a daffodil pot.

Any extra pots will be on sale in the playground after school on Friday and will also be available to purchase next week.

I would also like to ask that once you have repotted or planted the daffodil that any unwanted original pots are returned to school. Unfortunately, plant pots cannot be recycled and will end up in landfill unless they are returned to school to be reused, or reused yourself at home.

Thank you for supporting our fund raising activity.

Mrs Everett
School Gardener
