Hello!

So we're into the second week of the new term already – we are galloping towards the summer!! We had a good PTA meeting a few weeks ago to discuss and plan upcoming events. Please see below and make a note in your diaries – we rely on your support to make these events a success ☺

Ooooh new events!!

To give our amazing year 6's a proper send off this year, we are planning on adding a 'Pre-disco leavers party' to our summer disco in June. Also, to save you having to serve dinner before the disco, we will be selling pizza. More details will follow nearer the time.

If you're planning a clear out soon, please note that we are having a car boot sale at the school in September! Save the date if you would like to have a pitch or just want to come along to have a mooch and maybe bag yourself a bargain! Booking details will follow nearer the time.

!! Upcoming events !!

…….further details coming soon…….

Well done all!

By now you must have seen and admired the fabulous new shade canopies on the school field. These were paid for by the PTA. Thank you for helping us raise the funds – we know the children are going to benefit from them enormously.

Match funding

Many companies offer employees the chance to boost their fundraising by 'matching' the money they raise. It really is money for nothing!
Some organisations will match pound for pound, others will stipulate what they are prepared to give.

Do you work for a company that might consider doing this to help us raise more money for the school? It doesn't have to be just large companies. If you are unsure, please could you check if your company might wish to get involved?

We were really lucky that Barclays bank fund matched our Christmas raffle – boosting our income by more than £800! It would be amazing if another Barclays employee or someone from another company could support us to do the same for the summer (Fun Day) raffle.

Please contact us by email or via Facebook (details above).
