Born and bred South Londoners, Ashley Glazebrook and Glen Murphy, met at the renowned 'Brits School of Performing Arts'. Through a joint love of dance, they have quickly become role models for young people around the UK.

As their alter ego's, Twist (Ash) and Pulse (Glen), they quickly shot to fame on one of the most watched TV shows in the UK. They achieved 2nd place on ITV's 'Britain's Got Talent', managing to win over both the public and Simon Cowell and his formidable team, with their talent and charm!
