

Frimley Church of England Junior School

5th September 2019

Dear Parents,

On **26th September 2019**, we will be visited by **Vashti Hardy**, author of the best-selling book 'Brightstorm', which we are studying in reading this term.

Vashti will deliver an author talk which covers the childhood inspirations behind becoming a lover of fantasy story worlds and the journey to becoming an author.

During the visit, children will be introduced to the stories of WILDSPARK and BRIGHTSTORM as well as some inspirational inventors and explorers in history. Vashti will share some of her writing tips with the children using creative activities such as map making, soundtracks and using images.

The children in Year 4 will participate in workshops which are focused on empowering them to believe in themselves as storytellers and discover the power of storytelling, building confidence in those children who don't see themselves as being 'good' at writing.

In order to run this exciting event, we are asking for a contribution of £4.00 per child. Please could payments be made by **Thursday 19th September** and either paid online via Tucasi or given to your child's class teacher along with the reply slip below.

Kind Regards,
Year 4 team
