

Year 4 Spring A 2021 Homework

<u>Reading</u>	<u>TT Rockstars</u>	<u>SPaG</u>
Read for at least 10-15 minutes, three times per week to an adult and have a discussion about the book.	Complete the set Times Tables challenges here: https://play.ttrockstars.com	Complete the weekly SPaG task set here: https://www.spag.com/

My Maths

Mymaths.co.uk is a fantastic website which Frimley has subscribed to. Your child has a username and password in their homework diary.

My Maths is an **optional** homework resource for Year 4 children; there is no expectation for them to complete tasks, however tasks will be set if your child chooses they want to do more or they would like to practice further to embed the learning.

Our theme this half term is 'imagination.' We will be exploring our own imaginations, as well as pioneers who became well known for using their imagination e.g. Edison and Tesla / Electricity. Choose a few of the ideas below to demonstrate your understanding of what imagination means to you. *For example; you could write a story in an imaginary world!*

Topic homework sharing day will be: Thursday 11th February 2021

Topic Homework

You could complete one, or more, of the following options or create something else to show what you have learnt about your topic.

Bring it to your *share my topic homework day* (ask your teacher for details)

make a model

create a piece of art work

make a game

make a poster

plan and do an experiment linked to your topic

make a fact file

go on a visit

design a costume

write a story/poem/newspaper article etc

follow a recipe

write some word problems for maths

Read a book linked to your topic and review it

create an informative leaflet

make a video
