

Letter to our Frimley children – Week 5

4th February 2021

Hi everyone,

How are you all doing? I hope you are still keeping safe and well and helping out around the house? Thank you to those of you who completed my book scavenger hunt that I set you in my letter last week. I have loved finding out what books you discovered to solve my challenge. If you haven't had a go yet then please do so as I'd love to hear what you find.

Mrs Stroud has put together a great "wellbeing booklet" for you which has been emailed home with this letter. There are lots of good activities in there for you to work on over the next few weeks for you to focus on your own wellbeing and mental health; I hope you find it useful.

I'm sure you've all heard the sad news about Captain Sir Tom Moore who died yesterday; I was so upset when I heard the news but what a great legacy he has left behind for all of us. I love this quote that he said, let's try and remember this whenever we're having a difficult day:

"The sun will shine on you again and the clouds will go away"

—
Captain Tom Moore

In April 2020 during the first national coronavirus lockdown, Captain Sir Tom set himself a small challenge to raise £1,000 for NHS charities by walking 100 laps of his garden before his 100th birthday. He raised £33 million and became famous all around the world! Can you set yourself a challenge of doing something 100 times to raise awareness of something you care about? This could be through an exercise like Captain Sir Tom, drawing, completing an activity for 100 minutes. Maybe you can take photos, write about your challenge and send it to me? I'd love to hear what challenge you have set for yourself.

Frimley Church of England Junior School

Did you know that one of our staff members is also a magician? Mr Cantwell, who is part of our Year 3 support team, also has magic powers and he has kindly offered to share with you some of his tricks so that you can learn how to do them to impress your friends and families. The first trick he is teaching you is how to make a coin vanish. Check out this video if you want to learn: <https://youtu.be/vpEcah1qYr4> Hopefully he will bring us another magic masterclass next week!

I hope you have enjoyed listening to me reading you 'The Truth Pixie' over the last few weeks – I know the children in school have, so here's the next part of me reading the final part of for you, I wonder how things will work out for our Truth Pixie: <https://youtu.be/iZHClIbSpf8>

Bye for now and keep being your amazing selves.
